FREQUENTLY ASKED QUESTIONS:

When do I receive an Everra eWallet Account? An account will automatically be created for you immediately after you earn your first commission. Your Everra eWallet account will be automatically created and your login credentials emailed to you. If you do not receive the Initial Registration email, please check your spam folder or contact eWallet customer support.

Where do I access my Everra eWallet account? Once you receive an Everra eWallet Account, you can access your Everra eWallet Portal through the link provided in the Everra Influencer Hub or everra.globalwallet.com.

Can I transfer funds from my Everra eWallet Account to my bank account? Yes, you can transfer the balance of your Everra eWallet Portal to any bank account in your country.

Do I have to use a Prepaid Card to access my eWallet funds? No, the prepaid card is another option to utilize your eWallet balance in addition to the option to transfer funds to your bank account. You must order a Prepaid Card if you would like to use one as you will not automatically receive one with your eWallet account.

Can I track and review my transaction history? Yes, you can track your transaction history by accessing your Everra eWallet Account.

Do I have to verify any information for tax purposes? Yes, you will be asked to verify your information for tax purposes upon earning US\$600.
